

Splash Screen

Homepage

- Height is too much. It makes the screen to scroll a little. The page won't be scrolling

- Font Didn't match with Figma
- Teacher & Student icons look terrible. They need to be clear on the edges and sublime like Figma

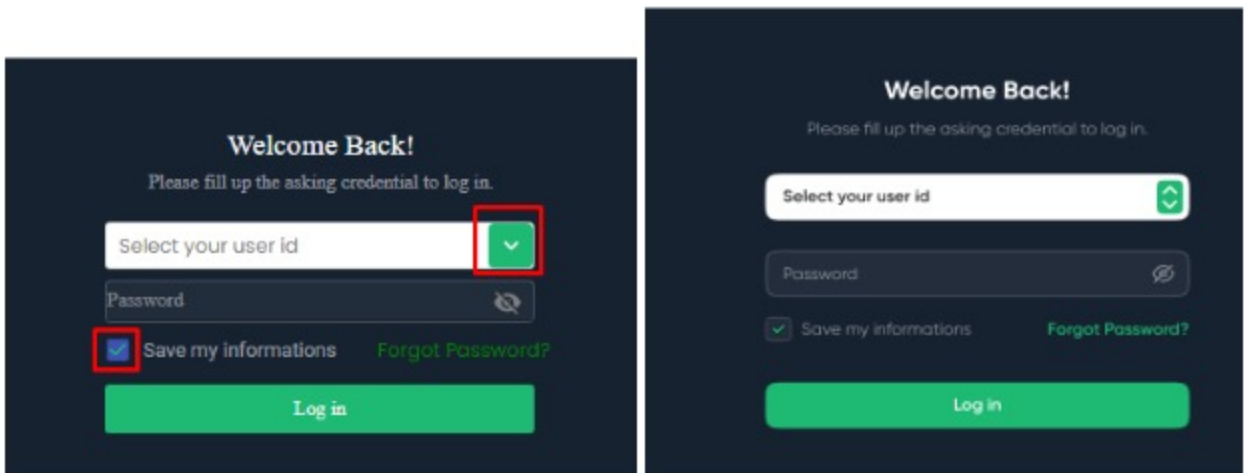

- Font and Question Mark isn't same as Figma

Login Page

- There won't be any white space at the bottom.

- Font, Padding, Select Toggle bar, Checkbox, Font weight isn't same as figma
- Forgot Password Link doesn't work.
